FATAL SHOOTING.

An Affray the Result of Domestic Trouble.

Trouble.

(Special to The Times-Dispatch.)

JARRATT, VA., August I.—A shooting affray took place here Monday aftermoon between B. F. Johnston and Jerry T. Matthews, in which Matthews was killed. Six or eight shots were exchanged, Johnston shooting only once or twice, as he claims. It is said that Matthews emptied his pistol, and, while lying prostrate on the ground, releaded and fired soveral times. Both men are well known here. Both were employes at Truitt-Vincent Company's factory as night watchmen.

The affair its the culmination of a disturbance which occurred some months past.

At that time Matthews, it is

past.
At that time Matthews, it is claimed, found Johnston in his house, and at such an hour as to arouse his suspicion, and accused him of intimacy with his wife. Matthews threatened Johnston at that time, and would have perinus killed him but for the timely arrival of an officer. Matthews was put under bond them, which expired the 12th of this month. The two men met yesterday afternoon, when, it is claimed by Johnston, that Matthews cursed him, using a very vile epithet. Johnston struck him with his fist, when Matthews, it is said, commenced to fire on him. Johnston returned the fire, hitting Matthews in the abdomen, the wound proving fatal and death occurring about midnight.
Johnston was hit by one ball in the calf of the leg; not supposed to be very serious. Matthews's wife has not lived with him since the occurrence of the first affair.

whom such pressure was brought to bear that Mr. Jones withdrew his resignation, much to the delight of all present.

Hon, H. O. Kearns, State president, was then presented and made a short speech, which was full of practical thoughts for the farmer. His speech was mainly along the line of how and what course to pursue in order to secure the best prices for their products. The speaker was riven close attention throughout.

The series of picnics to be given by the farmers was then taken up, and after some discussion it was decided to continue the plenics in October, when the busy time of the farmers would be over. The regular monthly meetings on the third Monday of each month will continue. A terriffic thunderstorm swept over awarsonville Sunday night, doing considerable damage to shade trees and a few paling fences.

Trinity College, North Carolina, will open a school for boys here the first week in September.
